## Duty to take reasonable care not to make a misrepresentation

Under the Insurance Contracts Act 1984 (Cth) (Act), **you** have a duty to take reasonable care not to make a misrepresentation to **us**.

This duty applies whenever **you** enter into, renew, extend or vary this contract of insurance.

In all cases, **we** will ask **you** questions that are relevant to **our** decision to insure **you** and on what terms.

It is important that **you** understand **you** are answering **our** questions in this way for **yourself** and anyone else that **you** want to be covered by the contract.

When **you** answer the questions **you** must give a true and accurate account of matters. **Your** response should tell **us** everything that **you** know about the question because **your** response is relevant to whether we offer **you** insurance and the terms we offer **you**.

A misrepresentation made fraudulently is made in breach of the duty to take reasonable care not to make a misrepresentation.

Whether or not **you** took reasonable care not to make a misrepresentation will be determined with regard to all the relevant circumstances.

If **we** know, or ought to know about **your** particular characteristics or circumstances, **we** will consider these to determine if **you** took reasonable care not to make a misrepresentation to **us**.

**We** may consider the following matters to determine if **you** took reasonable care not to make a misrepresentation to **us**:

- the type of insurance contract in question, and its target market
- explanatory material or publicity produced or authorised by **us**
- how clear, and how specific, the questions **we** asked were
- how clearly **we** communicated to **you** the importance of answering those questions and the possible consequences of failing to do so
- whether or not an agent/insurance broker was acting for **you**, or
- whether the contract was a new contract or was being renewed, extended, varied or reinstated.

**You** are not to be taken to have made a misrepresentation merely because **you**:

- failed to answer a question, or
- gave an obviously incomplete or irrelevant answer to a question.

If **you** do not take reasonable care when answering **our** questions and the result is **you** do make a misrepresentation to **us**, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to take reasonable care not to make a misrepresentation to **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

## GENERAL CONDITIONS

The following conditions apply to all sections of this insurance.

1. **You** must answer *all* questions that **we** or InsureandGo Travel Insurance ask **you** truthfully and accurately. Inaccurate answers when taking out this policy may result in us either declining to provide cover, cancelling **your** insurance cover or declining or reducing a claim payment.
2. **You** must take all reasonable steps to avoid, reduce or recover, any loss which may mean that you have to make a claim under this insurance.
3. **You** must report to the police or (where applicable) the responsible transport provider and obtain a written report from them in respect of loss or theft of any item within 72 hours of discovering the loss or theft, or as soon as reasonably practicable. **You** must provide this to **us** with **your** claim together with **proof of ownership** of the lost or stolen item(s).
4. **You** must give **our** claims department all the documents and execute all authorities that are reasonably necessary to assess any claim. Any documents must be in English or be accompanied by an official translation. **You** will be responsible for the costs involved in doing this. For example, in the event of a cancellation claim **you** will need to supply receipts and proof that **you** were unable to travel, such as a medical certificate completed by your doctor if this cancellation was due to a medical condition.
5. **You** must provide reasonable assistance and cooperation to **us** in the assessment or investigation of **your** claim.
6. **You** must help **us** get back any money that **we** have paid, from other insurers or any other person, by giving **us** all the details **we** may reasonably need and by filling in any forms **we** may reasonably require. If **we** agree to cover **your** loss, **you** must let us take over and pursue any legal right of recovery **you** may have and **you** must provide reasonable co-operation in any recovery action.
7. If **you** try to make a fraudulent claim or if any fraudulent means or devices are used when trying to make a claim, this policy may be cancelled and the premium **you** have paid may be forfeited. Any benefits already paid to **you** must be repaid in full.
8. **You** must agree to have a medical examination if it is reasonably necessary to assess **your** claim. If **you** die, **we** are entitled to a post-mortem examination.
9. **You** must agree to have a blood alcohol and/or breath analysis where local laws permit, where it is reasonably necessary for **us** to assess **your** claim.
10. **You** must pay **us** back any amounts that **we** have paid to **you** which are not covered by the insurance.
11. After a claim has been settled, any salvage **you** have sent into **our** claims department will become **our** property.
12. If **you** require hospitalisation or emergency transportation services and you want us to pay, then **you** must contact EUROP ASSISTANCE as soon as possible and obtain approval before arrangements are made where this is reasonably practicable. You must also follow any advice or instruction given to **you** by **us**, InsureandGo Travel Insurance or EUROP ASSISTANCE.
13. **We** will not cover **you** for loss or an event or liability to the extent that it is covered by any other insurance policy, medical or health scheme or Act of Parliament or any benefit which **we** are legally prohibited to pay by law. **We** will however pay the difference between what is payable under that other insurance policy, medical or health scheme or the relevant Act of Parliament and what **you** would have been entitled to recover under this policy to the extent permitted by law.

## SECTIONS OF COVER

### SECTION A - CANCELLING *YOUR TRIP* BEFORE DEPARTURE

#### What *you* are covered for

If *you* have to cancel *your* trip because of one of the reasons listed below *we* will pay up to the amount shown in the Table of benefits for:

- travel and accommodation expenses and pre-paid meal expenses which *you* have paid or have agreed to pay under a contract and which *you* cannot reasonably recover from any sources.
- the cost of excursions, tours and activities which *you* have paid for and which *you* cannot reasonably recover from any sources.
- the cost of visas which *you* have paid for and which *you* cannot reasonably recover from any sources.
- the travel agent's cancellation fee up to 10% of the amount paid to the travel agent when full monies have been paid or the maximum amount of deposit has been paid at the time of cancellation. *We* will not pay more than the loss of the normal remuneration available to the agent had the trip gone ahead as planned.

Alternatively, if all conditions under Section A are met, and no exclusions are applicable, *we* will cover the expense for rescheduling *your trip* prior to departure provided the cost of rescheduling does not exceed the cost of cancellation. This benefit can only be claimed once per policy per *insured person* and *you* must return to Australia before *your end date*.

*We* will pay a benefit under this Section if the cancellation of *your trip* is necessary and unavoidable as a result of:

- a) *your* unforeseeable death, injury, or illness.

- e) *you, your relative* or *travelling companion* are a member of the armed forces, police, fire, nursing or ambulance services and *you* have to stay in Australia because of an emergency or *you* are posted overseas unexpectedly.
- f) It is necessary for *you* to stay in Australia after a fire, storm, flood or burglary at *your* home or place of business within 48 hours before the date *you* planned to leave. *We* will need a written statement from a relevant public authority confirming the reason and necessity.
- g) *you* cannot travel because a *natural disaster* has caused *your* travel service provider to cancel *your* pre-paid service and does not provide an alternative. (This is only applicable if *you* have purchased the *Natural disaster* upgrade option and this is shown on *your policy schedule*. This does not include those which were known at the time of purchasing this insurance.)
